

Le Dimanche 15 Août, le Val Fleuri propose aux  
résidents un repas sur le thème "Des Îles"

A vibrant tropical beach scene. In the foreground, a large palm tree with lush green fronds leans over the frame from the left. The sky is a clear, deep blue. In the middle ground, a small red and white motorboat is on the turquoise water. The background shows a sandy beach and a line of green trees and buildings on a hillside.
